Omega Psi Phi Endorsed President!

Brothers this a new day for America and for the World! Barack Obama is the culmination of many dreams deferred, ancestral prayers, and hopes realized. Under the leadership of Grand Basileus Warren G. Lee, Omega Psi Phi Fraternity made a bold move in endorsing Senator Barack Obama for President of the United States. With the support and hard work of many Brothers around the United States and, in particular, the Ninth District the Senator from Illinois is now President-Elect Barack Obama.

Nonetheless, let there be no confusion or misunderstanding that the/our work is not

done! There is still a plethora of work to be done in the United States and our communities and neighborhoods. Although we are excited, thrilled, and anxious to see an African American man take the most powerful seat of office in the world, we are guardedly optimistic about the future of all African Americans and our children.

Thanks to all of the Brothers and friends who beat the pavement, made financial contributions, wore t-shirts, made phone calls, or just told your neighbors about Barack Obama. The excitement continues to grow as groups plan to make their way via

bus, plane, car, or train to Washington DC for the Inauguration of the first African American as President of the United States. Written by: Roger T. Watkins 9th DPR.

Xi Omega Walks to Fight Diabetes

The brothers of Xi Omega chapter in Tulsa, OK joined 200,000 participants and the American Diabetes Association (ADA) to Step Out to Fight Diabetes.

On Saturday, October 11, 2008 the brothers participated in a walk held in Tulsa. The walk held at Tulsa's LaFortune Park consisted of 3.5 miles. The Omegas joined several individuals and teams from the Tulsa area in this worthwhile fundraiser.

Step Out: Walk to Fight Diabetes is a fund-raising walk, benefiting the ADA's mission: to prevent and cure diabetes and to improve the lives of all people affected by diabetes. More than 20 million Americans suffer from diabetes, and another 54 million are at risk for developing diabetes. Diabetes affects a higher percentage of African Americans than any other ethnic group.

The chapter goal was set at \$1,000. As of this writing contributions are still being received and applied toward the goal.

HELPING FEED THE COMMUNITY

By Omicron Pi Chapter Editor

The Bethesda Fellowship Ministries Church along with assistance from the Omicron Pi Chapter of Omega Psi Phi Fraternity, Inc. have just completed a Food for Families drive in the Copperas Cove, Texas and surrounding community. The effort has collected hundreds of pound of food in the form of canned good and non-perishable food items.

Per the 9th District Chaplain Ronnie Gatewood (pastor), the purpose of the effort is to meet hunger relief needs within the community during this holiday season. The drive involve solicitations of families, companies and organizations for gifts of food such as canned meats (tuna-chili-stew-chicken), canned vegetables, cereals baby food, dry beans, flour, rice, peanut butter, sugar, corn meal, pasta/sauces, etc. Although this is the first year for the church in conducting such a program, it has been successfully executed.

The Bethesda Fellowship Ministries Church and Omicron Pi Chapter would like to extend a special thanks to those organizations and persons that provided food for this holiday season, and making this effort fully successful. The men of Omega continue to press onward in its quest to better mankind through uplift.

The Fraternity Record of Brother Michael Bray

Brother Michael Bray was initiated into Pi Delta Chapter of Omega Psi Phi Fraternity, Inc. on December 10, 1977. Upon his initiation into the Fraternity, he along with his line brothers Haskell Ruff, Michael Monday and James Monday instantly began work to make Pi Delta a stronger chapter.

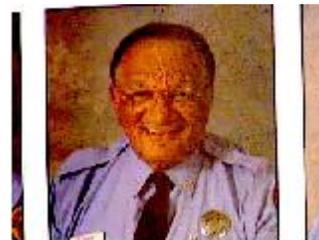

Brother Bray, upon joining Eta Iota Chapter, immediately began to contribute and make a difference. As a member of Eta Iota, he served on several committees such as the housing committee, Achievement week committee, Golf Tournament Chairman, Sweetheart Ball, and Thanksgiving baskets to the needy. The Chapter thought enough of Brother Bray that they elected him to the positions of Keeper of Peace, Keeper of Finance, Vice Basileus and Basileus.

His dedication and service earned him Eta Iota's highest award of Omega Man of the Year in 1995.

Brother Bray also served the Ninth District of Omega Psi Phi Fraternity, Inc. He held a position on the Election Committee and in 1996 was appointed by the District Representative to serve as the Intake Chairman for the State of Oklahoma. Most recently, he was the co-chairman of the District Talent Hunt Committee

for the 67th Ninth District Meeting held in Oklahoma City, OK in 2004.

Brother Bray will be remembered as a dedicated active member of Eta Iota Chapter. His leadership, guidance, advice and friendship will be missed by all that he touched. His loss will be felt throughout our organization and by those who were fortunate enough to call him a Brother and Friend.

Tips for Article Submission

It is our intent to publish everything submitted in the 9th District Newsletter. However, please note that some items that are submitted may not be printed. Here are some common areas that we need to improve on:

- Photograph quality. Photo are either too dark or not in focus. Hard to use.
- Photographs should be submitted separately from the article.
- Chapters should submit articles and not one or two statements describing the event.
- Please double check spelling. I can catch most of the common words, but proper names, places, etc. are hard to catch.
- Please adhere to the established deadlines.
- Chapters can help me by identifying the Chapter's Editor to the Oracle and sending me that information to the email listed below. I will establish a distribution list for the chapters and send everything directly to the chapter's point of contact.
- Feedback. Give me your feedback. I want to make sure this is a document for all of us.

It can only get better with your feedback. End comments to the email address listed below.

There are a lot of great things going on in the Ninth District. Let's continue to submit articles and tell the story of the Ninth District. Your continued support will ensure that we will always produce a first class product for the Mighty Ninth.
